RE SFMTA Parking Meter Recovery Fee Increase

Dear Director Day,

On April 5, 2011 the San Francisco Municipal Transportation Agency (SFMTA) Board issued Resolution 11-041 (attached) which approved an increase to the parking meter use fee from \$4 per meter per day to \$5 per meter per day.

Currently, when a builder requests street space in conjunction with a building project, the Department of Public Works (DPW) Bureau of Street Use and Mapping (BSM) determines the DPW street use costs and the SFMTA meter use daily fees. The Department of Building Inspection (DBI) collects these fees on behalf of DPW and SFMTA respectively.

SFMTA is requesting that BSM and DBI begin assessing the new meter use fee effective May 16, 2011.

Please contact Brian Dusseault of my staff if there are questions and/or coordination matters related to this request. He can be reached by phone at (415) 701-4676 or by e-mail at [brian.dusseault@sfmta.com](mailto:brian.dusseault@sfmta.com).

Very Truly Yours,

Bond M Yee  
Director of Transportation Engineering
